

Information for teachers when discussing the application for the arrangement part-time transition classes Enschede with parents.

**The conversation with parents:**

**What does the part-time switching classes package entail when your son/daughter is placed in a switching class:**

Your son/ daughter goes to a switching class at location x 3 mornings a week.

In case the switching class is outside your own school, you will have to bring your son/daughter at 8.30 am and pick him up at 12.00 pm to take him/her to his/her own school.

What does your son/daughter do in the switching class:

Catching up in the areas of:

- Vocabulary
- Create sentences
- Pronounce sounds in Dutch
- Understanding picture books and being able to answer questions.
- Vocabulary regarding preparatory reading and numeracy skills.
- Applying what you have learned in play

Or

**What does the part-time transition classes package entail in support of ambulatory co-teaching:**

Support for your son/daughter's teacher (average 1 x p.w.) in giving lessons in the field of:

- Vocabulary or
- Create sentences or
- Pronounce sounds in Dutch or
- Understanding picture books and being able to answer questions.

Your son/daughter will practice what you have learned in a small group after the lesson.

This way your son/daughter can catch up in his own class.
